

Description

Why search for the flag when I can make a bookmarklet to print it for me? Browse [here](#), and find the flag!

Hints

- A bookmarklet is a bookmark that runs JavaScript instead of loading a webpage.
- What happens when you click a bookmarklet?
- Web browsers have other ways to run JavaScript too.

Solución

Bandera

```
flag: picoCTF{p@g3 turn3r 0c0d211f}
```

Notas Adicionales

Copiamos el bloque de javascript y lo pegamos en la consola, damos enter y obtenemos así la bandera.
